- 3) Nor is Islam the denial of joy and pleasure**
- 4) Verily, the Way is to honor life and liberty.**
- 5) It is the teaching, the respect, the happiness.**
- 6) A community with no discipline and no knowledge, may be blessed by rains or cursed by flood.**
- 7) Yet a community without law, is a dark and evil place in which much suffering exists.**
- 8) Thus, Allah gives to his people a way to end suffering,**
- 9) By recognizing all who live in community must abide by some rule of law.**
- 10) The permitted is not then a trial, or a test, but a means to lasting happiness and prosperity.**
